One reel Star Comedy

MAY 11 1922

Roy, a henpecked husband, wants to spend his vacation fishing, but his strong-minded wife has other plans. To fool his wife, Roy enlists the aid of a sympathetic neighbor, who, posing as a doctor, threatens a nervous breakdown for Roy if his wife doesn't give in to him on all occasions.

The plan works, and Roy and his wife join the back-to-Nature movement, living in a tent and wearing skins for raiment. Roy's ally, the helpful neighbor, comes to congratulate him on his strategy. Mrs. Roy overhears him, however, and takes revenge on him and her husband for the discomfort she has suffered.
